[11:27] <kozatof> @bethelewd you underestimate how short la noire is
[11:27] <kozatof> You think itâ€™s like 50 hours

[11:28] <bethelewd> hey phil
[11:28] <darksydephil> soooo sadly it doesn't look like the Muxy tips bar actually works
[11:28] <theycallmejimbob> dspPepe
[11:28] <goldencolts> son of a bitch
[11:28] <thesmokingbrownie> What? That sucks
[11:28] <bethelewd> awww man
[11:28] <darksydephil> no matter what date i set, it shows as over 10k in tips already received tdoay lol
[11:28] <little_blake> oh well
[11:28] <kozatof> @darksydephil cause tips are through PayPal or whatever right
[11:28] <bethelewd> tsk
[11:28] <kozatof> How can they track PayPal tips
[11:29] <thesmokingbrownie> Hey Phil have you tried StreamLabs? (sorry if you've addressed this before)
[11:29] <bethelewd> isnt there a different thing you could use just for one day to track tips for the fundraiser stream?
[11:30] <kozatof> Tips arenâ€™t intertwined into twitch @darksydephil or am I thinking this wrong
[11:30] <bethelewd> didnt phil use streamlabs and then switched
[11:30] <bethelewd> dspHm

[11:30] <theycallmejimbob> don't people sometimes use a whiteboard or something to track tips on twitch or is that too basic dspHm

[11:31] <bongojoe89> brb getting some brownies

[11:31] <bethelewd> a whiteboard lol

[11:31] <theycallmejimbob> BeTheLewd did you accidentally mute kozatof

[11:31] <kozatof> @darksydephil you should do 72 hour stream

[11:31] <ubska> maybe we can just stream him getting tips and the tip jar can be the shape of his house, thatd be swell

[11:31] <bethelewd> jim yes and skooma :(

[11:31] <me_ree> don't tips flash up on screen if they're a high enough limit? for only the fundraising stream, just have any tip given show up on screen, then someone else can do the legwork of adding them all together. Not a great solution, I know

[11:32] <theycallmejimbob> I've seen streamers use whiteboards BeTheLewd dspPepe

[11:32] <darksydephil> LOL this is hilarious, like its a "Feature" of muxy that they obviously never tested

[11:32] <bell_end_noob> one question about the charity stream...will we have a number amount raised so far and the amount needed? and will you be including the amount already raised? starting it at 0\$ raised would be dishonest

[11:32] <kozatof> Darksydephil should put biggest d

[11:32] <theycallmejimbob> couldn't Nightbot be updated with the current tip total by one of the mods dspHm

[11:32] <kozatof> Biggest donator

[11:32] <darksydephil> you set it to only show for five seconds and then fad away, yet it just reappears again. and it doesn't read the total properly at all

[11:32] <darksydephil> what a mess

[11:32] <kozatof> @darksydephil you could do a whiteboard of the biggest tips you got

[11:32] <kozatof> Call them biggest dis

[11:33] <thesmokingbrownie> Caveman tipping LUL

[11:33] <carlos_psp> Are you hiring new mods?

[11:33] <ubska> @kozatof Yeah but hed have to buy and board and pens and he has no money for that

[11:33] <darksydephil> it looks like its just going to be a manual process

[11:33] <goldencolts> ah yes the old whiteboards of caveman times

[11:33] <carlos_psp> I'd like to help if possible

[11:33] <bethelewd> jim that is too much work and i would miss some tips so i couldnt do it lol

[11:33] <me_ree> i've watched streamers before who update in bottom corner their three biggest cheerers, only takes like 10 seconds

[11:33] <solid_bat> how are them brownies phil?

[11:33] <kozatof> Hmmm

[11:33] <darksydephil> ill have to keep a running tally of tips and patreon pledges between PUBG matches

[11:33] <kekon3> heyo

[11:33] <theycallmejimbob> kekon VoHiYo

[11:33] <solid_bat> you'll have to give us kim's brownie recipe

[11:34] <kozatof> @darksydephil can I add you on steam

[11:34] <bethelewd> what a idiot

[11:34] <darksydephil> whenever someone mentions some kim, its a nice ban for that morn haha

[11:34] <me_ree> i don't get it

[11:34] <bell_end_noob> will brownies become a banned word too?

[11:34] <carlos_psp> ?????

[11:34] <ubska> maybe buy a 60 inch screen and display them on that in the background, could sell the TV afterwards or take back for a refund?

[11:34] <fairhair96> yo Phil

[11:34] <kozatof> I only have one steam friend

[11:34] <nexus20000> hey guys. does anyone have a good brownie recipe?
[11:34] <carlos_psp> What a hell is happening here?
[11:34] <me_ree> this a north korean thing?
[11:34] <theycallmejimbob> dspPepe poor kozatof
[11:34] <kozatof> And I want the second to be you @darksydephil

[11:35] <kozatof> Or whatever the hell his name is
[11:35] <burnout26> weed brownies are great
[11:35] <bethelewd> pot brownies are not
[11:35] <kozatof> Jelesea @darksydephil
[11:36] <nexus20000> Phil knows exactly what the story is all about... Kappa
[11:36] <ubska> damn all this brownie talk got me even hungrier
[11:36] <bethelewd> kekon that is why they get das boot

[11:37] <darksydephil> theres nothing on my forums??
[11:37] <me_ree> i could explain the situation as I know it but I fear it won't go down well, so I'll just say the words 'fluffy bunny' instead
[11:37] <bethelewd> so apparently phil made brownies so now trolls joke about them like morons
[11:37] <goldencolts> maybe brownies is a codeword for something
[11:37] <kozatof> @darksydephil bro, jelsea your old mod.
[11:37] <kingofhypocrisy> @Kekon3 But the detractors love that Tevin guy, they all can't be racist

[11:38] <bell_end_noob> your dms with jelsea leaked and now we know the rumors are all true

[11:39] <kozatof> There I go
[11:39] <nexus20000> Phil just should admit the story. either that or it will be revealed anyway in some days lol Kappa
[11:39] <ygrabskiy1998> Is there any proof that shows dsp is in tax trouble? Why are all of you believing it since phil showed no evidence
[11:39] <carlos_psp> people, let's forget about this shit. everyday there is a new drama
[11:39] <ubska> i dont give a fuck if she made him brownies lmao i hope they tasted good now stfu trolls

[11:40] <xenoleingod> a gate made of brownies
[11:40] <xenoleingod> duh
[11:40] <sofiarayne> What about his tax problems? People who donate to him is doing so because they have money to give I think anyway regardless if he was ever lying or not about it. People are okay with giving money to him just because they like his content
[11:40] <sardarkh> Brownie is a keyword for oil drilling

[11:41] <paytheescortphil> Cucks
[11:41] <ubska> ban him!!!
[11:41] <burnout26> and ban
[11:41] <me_ree> as far as I can tell this isn't really a kiwi thing, more a case of a chat mod from here, of several years, trying to discredit the 'escort'. however they ended up believing the escort. they done their own querying about it, trying to help Phil but ending up turning. that's all I know
[11:41] <kekon3> gottem Kappa

[11:43] <theycallmejimbob> :D will do pureo_nikku
[11:43] <bionich00t> Phil is panicking?
[11:43] <kozatof> @darksydephil your chat mod jelsea is saying another thing

[11:44] <firedrake82> i think its funny you guys think people think the escort is real LUL

[11:44] <burnout26> a mod is prob gonna get derank
[11:44] <azirphaeli> Jelsea went there to help you Phil, you might wanna chat with him and clear the air...
[11:44] <masterxeon2002> jelseas in trouble?
[11:44] <bethelewd> burnout huh?
[11:44] <a_lern> enjoying Phil's LA Noire playthrough
[11:44] <bionich00t> Who is Jelsea?
[11:44] <bionich00t> I've never seen him here ever
[11:44] <theycallmejimbob> you had a good run BeTheLewd
[11:44] <kozatof> The old chat mod
[11:44] <bethelewd> hol up what did jelsea do
[11:44] <me_ree> i don't doubt they're a real escort but what i do have to wonder is whether their story is real. it's an account that's been on twitter longer than the tihydp videos, after all - it's not a new thing. i think they are who they say they are but their story, nothing confirmed.
[11:44] <masterxeon2002> a mod
[11:44] <a_lern> great game - and good to have DSP playing it
[11:44] <ya_okayy> phil ????
[11:44] <goldencolts> theyve been here some times
[11:44] <xenoleingod> admit it phil u had pot brownies with an escort
[11:45] <bethelewd> jim cahman
[11:45] <kozatof> Jelsea was the old guard
[11:45] <thesmokingbrownie> cheer10 I hope brownies wont be banned. The brownie in my name comes from a sleep over when I was six and I ate twelve brownies :D
[11:45] <bionich00t> The nose knows Phil! Those brownies were poisoned!
[11:45] <masterxeon2002> pot brownies are legal in WA are they not
[11:45] <lightkun1988> When will stream start?
[11:45] <sofiarayne> Okay, well I'm confused now so I'm just going to wait for the stream to start :) LA Noire!
[11:45] <bionich00t> What a dumb "scandal"
[11:45] <burnout26> no idea light with this new drama happening hopefully soon
[11:45] <darksydephil> there is no panic here, i was just trying to figure out wtf everyone was referencing, and as expected, it's incredibly stupid lol
[11:45] <theycallmejimbob> it was due to start a while ago Lightkun1988 but Phil's reading up on something on the forums
[11:45] <masterxeon2002> phil did nothing wrong BibleThump
[11:45] <kozatof> @bionich00t not that man
[11:46] <shadysands89> phil please can you let us know the story? true or not???
[11:46] <pureo_nikku> so I'm seeing this forum thing
[11:46] <kozatof> @darksydephil talked to jelsea for some reason and jelsea told everyone
[11:46] <darksydephil> i dont even know the real story
[11:46] <firedrake82> wait why was xenoleingod timed out? he made a harmless joke and i had a bit of a giggle as a result
[11:46] <darksydephil> i guess someone claimed an escort made me brownies
[11:46] <thesmokingbrownie> These rumors are fucking stupid
[11:46] <me_ree> all I know Phil is that you have a long-time mod who suddenly stopped believing in you over this. I dunno if you've talked to them or not about any of this
[11:46] <kingofhypocrisy> The whole story doesn't make sense to me. Why would anyone fly in a escort from another continent when you can get one locally for much cheaper
[11:46] <kozatof> @darksydephil bro your own chat mod is saying this
[11:46] <thedoctor5437> isnt it against the rules for an escort to reveal who their client is????
[11:46] <azirphaeli> Sometimes you want that exotic pussy
[11:46] <bell_end_noob> you need to read the mystery woman thread on kiwi farms for the full story and then you will understand
[11:46] <pureo_nikku> they're calling people "sad", and yet there they are diagnosing everything and

screenshoting chat lol

[11:46] <somethingyer2> phil can u make a brownie tutorial

[11:46] <masterxeon2002> thats so stupid lol

[11:46] <pureo_nikku> talk about sad

[11:46] <goldencolts> omg NotLikeThis

[11:46] <ya_okayy> omg

[11:46] <critical_for_d4ys> maybe cuz they think you had brownie with your gf and they think thats the escort @DarksydePhil

[11:46] <critical_for_d4ys> pretty dumb

[11:46] <lightkun1988> Escorts are for losers

[11:47] <masterxeon2002> your detractors really are dumb :D

[11:47] <bionich00t> unrelated but I want to see a poorly cooking with the king for brownies

[11:47] <darksydephil> why would i read ANY thread on kiwifarms, ever? LOL

[11:47] <me_ree> @pureo_nikku you talking about KGhaleon here? I see them screenshot stuff all the time from detractor sites

[11:47] <bethelewd> phil you know that people say your gf is a escort so of course they would say one made you brownies too its fucking stupid

[11:47] <bionich00t> Kiwi Farms is only good for the Mayor of Cwcville

[11:47] <highqualityramen> Hey Phil, BSV is saying you should sue me. Are you going to?

[11:47] <bionich00t> And he barely does anything

[11:47] <bionich00t> Sorry I mean she

[11:47] <ya_okayy> phil did u text ur gf

[11:47] <kozatof> @darksydephil the person leaking everything wasn't a nobody it was your chat mod

[11:47] <theycallmejimbob> :o

[11:47] <sardarkh> Hidden detractors everywhere

[11:47] <bell_end_noob> if your refuse to read it phil then no wonder you dont know what the reference is but trust me this looks very bad

[11:47] <darksydephil> there is no leak. there is a DM convo from twitter about brownies. thats not a "leak" LOL

[11:47] <shadysands89> Phil is friends with an escort is fine with me

[11:47] <kozatof> Oh

[11:47] <pureo_nikku> no the kiwifarms thing that was linked @me_ree

[11:48] <firedrake82> DarksydePhil i dont mean to be rude or anything but the reason you would read one is so you understand what people are talking about, i get you dont actively seek stuff out but it would help if you at least took a quick look at things to try and understand what people are saying

[11:48] <kozatof> So your gf did make you brownies then right @darksydephil

[11:48] <kingofhypocrisy> what is kiwifarms? a site that sells fruit? Kappa

[11:48] <pureo_nikku> just look at the person who is "MysteryWoman" lol it screams of idiocy

[11:48] <critical_for_d4ys> @DarksydePhil just ignore those idiots

[11:48] <bionich00t> All this over BROWNIES. They weren't even weed brownies

[11:48] <darksydephil> im almost positive i mentioned my GF making me brownies in here on a prestream, but i have no actual idea, someone would have to go watch all the prestreams haha

[11:48] <goldencolts> sounds like a site for australian farmers

[11:48] <gandroid> how long until @kozatof is banned

[11:48] <highqualityramen> Kiwi Farms is a place for friends to get along.

[11:48] <iradiumviking> If they wanted to know you where baking brownies they could have just seen your instagram post from the 10 of december @DarksydePhil

[11:48] <ubska> if he bangs an escort i dont care, everyone gotta get laid, now chill out with brownie thing and lets start streaming

[11:48] <me_ree> well jelsea obviously thought differently - they are basing it on the escort knew about the brownies, it wasn't public information and you confirmed it for them. jelsea, in trying to discredit the 'escort', ended up believing the 'escort'. thats the situation here

[11:48] <kozatof> @bionich00t weed brownies are meh my man

[11:48] <iradiumviking> phil made brownies. #exposed
[11:48] <bionich00t> Oh there's an instagram post lol
[11:49] <ya_okayy> phil pls
[11:49] <lightkun1988> @KingOfHypocrisy I like Fruits KappaPride
[11:49] <bionich00t> Well there goes the theory
[11:49] <bethelewd> phil you mentioned it on twitter and posting a instagrm pic i remember that
[11:49] <goldencolts> RudolphWhoa
[11:49] <kozatof> @bionich00t just get some backwoods

[11:49] <kingofhypocrisy> @Lightkun1988 Kappa
[11:49] <darksydephil> this could be the dumbest thing ever lol
[11:49] <pureo_nikku> this has gotta be the stupidest one yet lol
[11:49] <bell_end_noob> the mental gymnastics required to downplay this is astonishing
[11:49] <theycallmejimbob> as RaccAttack would say forget about brownies stick to lean meats and leafy greens
dspHmm
[11:49] <darksydephil> Shadysands89 : thats pretty much it
[11:49] <a_lern> Phil, do you still listen to Howard Stern?

[11:49] <ubska> lol haters getting exposed here and a mod will get banned for eating it all up lol, classic!
[11:49] <shadysands89> alright @DarksydePhil
[11:49] <bethelewd> i dont remember the pre streams because i dont really pay attention that much cause of the chat but anyway
[11:50] <shadysands89> how do people know the escort is real though? it could be a troll?
[11:50] <iradiumviking> <https://www.instagram.com/p/Bcgl8DVgWhe/>
[11:50] <shadysands89> is there any proof? can i hire her???
[11:50] <bionich00t> People are DMing me on Twitch to say it's cookies and not brownies
[11:50] <pureo_nikku> none at all @Shadysands89

[11:50] <highqualityramen> The escort is definitely a real woman and a real escort with a 4 year history in her work.
[11:50] <kozatof> So who made brownies then
[11:50] <iradiumviking> they are called brownie cookies It's the same thing
[11:50] <highqualityramen> What's unknown is how true her story is.
[11:50] <burnout26> that looks like some good looking brownies @iradiumviking
[11:50] <highqualityramen> Though nothing has ever disproven it entirely.
[11:50] <ya_okayy> phil get on prestream clear all this up ur panicking
[11:50] <highqualityramen> or, at all, really.
[11:50] <quertyaltt255> Viking, those are cookies dumbass. Haven't you ever seen brownies before?

[11:50] <ubska> lol why do so many people say "okay" on that insta post?
[11:50] <firedrake82> hey guess what? easiest thing to do is look at the time things were said/posted and youll find out whats going on pretty quickly
[11:50] <iradiumviking> if that isn't brownies enough for you. I can't help you morons.

[11:51] <azirphaeli> Phil clearly described them as "cookies"
[11:51] <darksydephil> all right, so now that i know whats going on, ill start the stream and i guess ill address it? its so dumb it doesn't matter and the people who "believe" wont bet swayed but i guess ill explain anyway

[11:59] <frogsonic> isn't brownie mix like more runny than cookie dough?
